What is a jumping derby?

A Jumping Derby combines Stadium Jumps (will fall when hit) and Cross-Country jumps (solid and immovable) that might typically be encountered at an event or horse trials. This is a good test of your horse's willingness to jump a mix of fences over varied terrain.

Who should enter?

Anybody who currently events or wants to event can benefit from the jumping derby! Competitors may run the gamut from professionals schooling young horses to seasoned amateurs honing their skills or exploring the idea of moving up a level. It is an excellent opportunity for people interested in Eventing to "test the waters" without investing in expensive equipment and clothing. Also, anybody who liked to have fun in a low key, casual atmosphere!

General Rules and Regulations

Generally run according to USEA rules where applicable. The organizer further reserves the right to combine or split classes within the division if entries warrant. No classes will be run out of order.

Horses may compete in more than one division. There are no restrictions on the number of classes a rider may enter.

Optimum Times are based on USEA rules. Time penalties will be accrued if the optimum time is exceeded.

Jumping Penalties are assessed according to the USEA rules for Eventing.

Jump Offs: Competitors having no time penalties or jumping faults will go to the jump off round. Jump offs will be run over a shortened course and the fastest time will win. Jump off courses will be announced in advance and will be run after all competitors have gone through their initial round.

Courses will be open for walking immediately prior to each DIVISION. There will be a break after each division for course adjustment.

Attire: Informal to casual. Breeches with paddock boots and half chaps or tall leather/rubber boots. Shirts with sleeves. ASTM/SEI HELMETS AND SAFTY VESTS ARE REQUIRED. Medical armbands strongly recommended. ALL MINORS MUST BE ACCOMPANIED BY A PARENT OR DESIGNATED GUARDIAN.

Tack and Equipment: Any English saddle is permitted. Bell boots, jumping boots, or splint boots are permitted. ONLY running martingales with rubber rein stops may be used. Short whips, crops, or bats permitted.
