GENERAL JUMPING DERBY RULES

What is a jumper derby?

A jumping derby combines Stadium jumps (will fall when hit) and Cross-County jumps (solid & immovable) that might be encountered at an event or horse trials. These jumps are placed in an arena and a small field. This is a good test of your horse's willingness to jump a mix of fences over a varied terrain.

This is a schooling show run according to USEA rules where applicable.

Each Division will have 3 classes. Riders may enter any number of classes. If more than 8 riders enter a class, classes will be further divided in A and B.

1. No classes will be ridden out of order.
2. Horses may compete in more than one division
3. Riders may complete in unlimited classes
4. No same day entries are accepted. No changes are allowed day of show.
5. Optimum times are based on USEA rules. Time penalties will be accrued if optimum time is exceeded except for the Intro divisions.
6. **Jumps offs:** Competitors having no time penalties or jumping faults will go to the jump off round. Jumps offs will be run over a shortened stadium jump course and fastest time will win. Jump off courses will be posted on the morning of the jumper derby.
7. Courses will be open for walking immediately prior to each Division.
8. **Attire:** Informal to casual. Breeches will paddock boots and half chaps or tall riding boots. Helmets are required and safety vests are encouraged. Medical armbands strongly recommended.
9. All minors must be accompanied by a parent or designated guardian
10. **Tack and Equipment:** Any English saddle is permitted. Bell boots, jumping boots or splint boots are permitted.
11. **Fence heights:**
 - a. Intro – stadium cross rails, XC jumps up to 18 inches
 - b. Starter – 2' – 2'3"
